- Update your Skills Inventory (if set up by your Organization)

**Custom Assessments**
Q: How will I know if I have a Custom Assessment to do?

A: When you log into Surge Learning it will tell you that you have an assessment to do if one has been assigned.

Q: How do I complete it?

A: Click on the Custom Assessment word in your reminder (see picture above) or click on the icon itself.

Once you have entered Custom Assessment, Click on the name of the assessment. Answer the following questions fully, and click SUBMIT to finish. This helps your organization identify the learning needs of the staff, and evaluate the effectiveness of their Education Program offered to promote staff development.
Completion of Required Courses

When education, policies and procedures are assigned to you, whether individually or to your department, you will find those items in My Courses.

The colour legend on the right of page, helps you identify priority courses:

- Pink: Courses that are highlighted in pink are Past Due
- Yellow: Courses that are highlighted in yellow are Coming Due within a 30 day period

- Past due
- Coming Due
How Do I Take a Course?

Click on the title of the Course/Policy you wish to take. You will then see a screen that looks similar to this:

- **Take Course:** View the Course here. Unless it is a policy, it will be a video with sound. Ensure your mobile device speakers are turned on or you have headphones available.
- **Take Test:** Once you have fully completed the course and you have entered your password to verify its completion, you will have access to the test.
- **Course Outline:** May provide information about the course, such as learning objectives and a summary of the topics reviewed in the presentation.

**LENGTH:** The running time/duration of the video presentation. This time does not factor in the time it takes to complete the test.

**TEST PASSING RATE:** The percentage needed to pass the test. The passing rate is determined by your organization.
How Do I Take a Course?

1. Click on Take Course

Your video/policy will load. Once you have watched the course, click on I have completed this course.

Please watch the course fully. If you try to close the education without watching its full duration, the system will remind you that you have not watched the whole module.

The estimated time for this course is 00:04:48. You have currently only been on the course for 00:00:06.

Please return to the course and make sure you complete the entire content.

Completion time is recorded in your course history.

Course Completion Verification

Once you have completed the course and clicked,

You will need to verify one of two things, by clicking on one of the options below:

- You completed the course and understand the content
- You completed the course and have a question for your supervisor

If you selected that you did not understand, you may type in a question in the field provided which will send directly to your supervisor

Enter your Surge Learning password and click SUBMIT
Proceeding to the Test

Once you have verified your understanding of the material and signed off on the Course as complete with your Surge Learning, you will notice that the test is now available.

You will notice the passing rate at the top of the screen. This passing rate is set by your organization. For each question, click on your answers and complete ALL questions. Click **SUBMIT** and Surge Learning will mark your test right away!
Marking the Test

Surge Learning will indicate if you did not pass the test, and will display the percentage you obtained.

You will be able to see what questions you answered correctly, and which ones were incorrect. If you did not pass the test and you would like to retake it, please click on Back to Course on the top right and complete the same steps you did taking the test the first time.

If you need to retake the test, please note: YOU DO NOT NEED TO TAKE THE COURSE AGAIN.... Unless you want to!
When you have successfully completed the test, a checkmark will appear, indicating it is officially complete.

A course is FULLY complete, when BOTH the course and the test have been completed fully.

Surge Learning will track the completion dates and times of both the course and the test. You can even print a certificate for your records if you like!
